DOVER, NH -- (Marketwire) -- 05/28/09 -- With Memorial Day weekend behind us, the summer vacation season has officially begun. Families across America are looking for ways to enjoy much needed vacation time while making their dollars go further than ever before, which is one of the reasons that offers to buy [timeshare resales](#) or [rent timeshare](#) are up 56 percent for properties on the Sell My Timeshare NOW annual HOT 100 List.

CEO Jason Tremblay explains, "Each year we publish the top 100 timeshare resorts that received the greatest number of inbound resale or rental offers. This year the number of offers is up 56 percent over last year. People need vacation time, but in this economy, they need to get the absolute best deal available for their money and timeshare resales and timeshare rentals offer that option."

The top ten timeshare resorts on the Sell My Timeshare NOW HOT 100 List include four [Marriott timeshare](#) properties (Marriott Vacation Club International resorts), including Marriott's Grande Vista Resort in Orlando, making the top ten for the first time.

1. WorldMark by Wyndham, Multi-Destination Resorts (Number 1 for the second year in a row.)
2. Marriott's Aruba Surf Club, Palm Beach, Aruba
3. Marriott's Newport Coast Villas, Newport Coast, California
4. Westin Ka'anapali Ocean Resort Villas, Maui, Hawaii
5. Harborside Resort at Atlantis, Paradise Island, Bahamas
6. Orange Lake's West Village, Orlando, Florida
7. Manhattan Club, New York, New York.
8. Marriott's Grande Vista, Orlando, Florida
9. Marriott's Maui Ocean Club, Maui, Hawaii
10. Hilton Grand Vacations Club at SeaWorld International Center, Orlando, Florida

Orlando timeshare replaced Hawaii timeshare as the number one geographic destination on the top ten list, possibly reflecting concerns over travel costs and a growing trend to vacation closer to home. Collectively, in 2008, the top ten timeshare resales and timeshare rentals on the list received 23,317 offers to buy or rent while those on the overall list received 70,700 offers.
